The Evolution of Senior Services

In May, Senior Services of Will County celebrates 54 years of existence. It was the second Senior Center created under President Lyndon B. Johnson’s Older American Act. With the purchase of the former Target building (349 S. Weber Road, Romeoville) and through the creation of the Ovation Center, we are taking the next step in the evolution of Senior Services by developing an upscale senior experience. With more than 30,000 seniors living within ten miles of that location, we couldn’t ignore the need to serve them.

More than a building, it is a ground breaking concept to make a big difference in the lives of the aging population while reducing the risk of the financial challenges common to many nonprofits. The success it will enjoy will be done thanks to an age old principle, working together.

The Ovation Center Partners
Thanks to leasing opportunities we will be able to provide more onsite services to meet the needs of our senior population. Key among them is Silver Cross Hospital who will meet patients at the Ovation Center and focus on senior health care.

The Ovation Center Programs
The renovation will allow Senior Services to offer programing with a much wider scope and varied themes. The Ovation Center will also host a coffee shop, hair salon, medical supply sales, and a year round walking track. We will also offer special event rentals to help build our outreach.

The Ovation Center Peek
You are invited to a “Sneak Peek,” of our under construction Ovation Center on June 24th beginning at 5pm. For this event, we are combining with the Romeoville Chamber of Commerce After Hours. Still committed to the wonderful work that takes place in Joliet and all of Will County, the regional office of Senior Services at 251 N. Center Street will remain open.

WILL COUNTY EMERGENCY MANAGEMENT AGENCY
WEDNESDAY, APRIL 8TH 12-1 PM

We will have a representative from WCEMA here to explain and assist in filling out the Access and Functional needs Registry. Refreshments will be served.

The Access and Functional Needs Registry is a cooperative public safety program in Will County. It is designed to ensure the safety of those residents of Will County that are most vulnerable to emergencies and disasters, the elderly and infirmed and those with various disabilities. The information you provide about your health and medical conditions is purely voluntary and may be shared with the Health Department, Police, Fire and other emergency workers to assist them in responding to a disaster or emergency.

Please note: They prefer to take pictures with the registry but not necessary.
Register by April 6th. Call 815-723-9713.

Safe at Home Spring Reminders.

**Seniors Beware!**

With spring returning soon we would like to remind everyone to get ready for the changing season. Thunderstorms and high winds are a challenge every year and with them come the storm chasers. Always remember these people are salesmen NOT inspectors. They show up every year and will say anything for your signature. Do not fall for their SCAM! If you have someone show up at your home tell them you already have a contractor and call us at Senior Services. We will do a thorough inspection of any possible damage and let you know the best course of action free of charge. We will also get quality contractors to perform the work, if needed. Senior Services is your best resource! We are watching out for you!

Census Completion Events

Wednesday April 22nd (11-1pm) & Tuesday, May 5th (12-2pm)

We ALL Count! Please join us for a Census Completion event where you may fulfill your civic duty by completing the 2020 Census.

The computer lab will be available as well as separate space to fill out your paper form or make the secure phone call, all of which are options for completion. Senior Services staff will be on hand to make sure that you feel secure in your completion by checking websites and verifying forms for you.

There will be snacks and beverages available to fill your stomach, while you fill out the census!

Accurate census counts ensure that services such as those offered at Senior Services of Will County receive a share of federal funds that allow us to keep the doors open and programs running.

You will NEVER be asked for Social Security numbers, bank information, credit card numbers or donations. There is NO citizenship question on the Census and the information is NEVER shared with any governmental agency.

The census counts every generation.

Every 10 years, the United States counts everyone who lives in the country, from newborn babies to the oldest among us. It is important for everyone to complete the 2020 Census so that communities like yours can be accurately funded and represented.

Responding is important.
The 2020 Census will influence community funding and congressional representation for the next decade. Information collected in the census will inform the allocation of more than $675 billion in federal funds for states and communities each year. That includes money for things like:

- First responders
- Medicare Part B
- Supportive Housing for the Elderly Program
- Libraries and community centers
- Supplemental Nutrition Assistance Program (SNAP)
- Senior Community Service Employment Program

Responding is easy.
Beginning in mid-March 2020, you can respond to the census online, by phone, or by mail. Choose the option that is most comfortable for you. Large-print guides to the questionnaire are available upon request. From May – July 2020, census takers will visit households that have not yet responded. A census taker can assist if you need help completing your form.

Responding is safe.
Your personal information is kept confidential by law. Your responses can only be used to produce statistics. They cannot be shared with law enforcement agencies or used against you by any government agency or court in any way.
